## From The Prez:

Dash to the Dells 29 and 15<sup>th</sup> Unofficial Panel Nationals is in the history books! After all the rain and flooding that occurred in Wisconsin, we were so fortunate to have awesome weather. The only unfortunate thing was that after all that rain, mosquito season was in full swing and those pesky critters put a damper on our evening fun around the firepit.

We had a great turnout with 111 Registrations and over 65 trucks went on the cruise on Friday. We saw beautiful and unique trucks, met with old friends and made new ones, had good food provided by Smoken Pig Express, had valve cover racing, kid's games, Baggo, and enjoyed music and trivia throughout the day. Sounds like everyone had a good time. We already had emails when we got home from folks thanking the club for a great event.

A big thank you to all our volunteers that helped throughout the weekend. Thanks to all that made trophies and collected door prizes. We could not do this without you. Thanks also to all the chairpersons that volunteered to oversee tasks: Theresa Sonn Registration, Rick Pribbenow Trophies, Bob Kulinski Door Prizes, Jean Hilgers Kid's Games, Wally Zeien Baggo, Megan Connor Valve Cover Racing, and Randall Roelke DJ Rental/Trivia. Also, a thank you to Rick Linskens for providing our lunch on Saturday, Dave Farmer for providing our trophy name plates, and Sean Connor for our show artwork.

Sometimes it may seem to others that everything that happens at our show goes so smoothly and without effort, but believe me, there is a huge effort, countless hours of planning, organizing, and preparing to make this happen by many people. Thanks again to all of you. This is a great club to be a part of!

Now if only the rain would stay away long enough to get a few more weeks of cruising in! See you at the next meeting.

Mike Connor

## Chocolate Cake

### Ingredients

7 oz container plain, full-fat Greek yogurt  
7 oz container canola oil  
7 oz container sugar  
2 eggs  
(2) 7 oz containers self-rising flour  
7 oz container unsweetened cocoa powder  
7 oz container coffee or warm water  
Salt  
Powdered sugar for dusting

Preheat oven to 350 degrees. Empty the Greek yogurt container into a large mixing bowl and now use that 7 oz container for your measuring device. Add one yogurt container full of sugar and one of canola oil to the bowl. Then add in 2 large eggs. Using an electric hand mixer, beat mixture until smooth. Then still using the empty yogurt container to measure, add in 2 containers full of self-rising flour, and one container of cocoa powder. Beat on low speed until lump free, and slowly add in a full container of warm water (or for an intensified chocolate flavor use coffee). Add a pinch of salt and mix until smooth. Then pour the batter into a prepared 10 inch spring form pan. Bake for 35 minutes or until a toothpick comes out clean when inserted in the middle of the cake. Let cool. Release the cake from the spring form pan and dust with powdered sugar, if desired. The cake goes well with a dollop of whipped cream!
